WARRE'S
FOUNDED IN 1670 PORTUGAL
PORT
www.warre.com

WARRE'S 10 YEAR OLD OTIMA PORT
Otima is a special blend created by Warre's to bring out the best in a Ten Year Old Tawny. Aged all its life in casks it requires no further cellaring and is best when served slightly chilled when it loses none of its delicious nutty aroma or delicate honey and caramel flavours

WARRE'S WARRIOR SPECIAL RESERVE
This reflects the style and richness of fine vintage port. A blend of top quality wines from the Upper Douro, is aged in oak for an average of six years. The wine softens and matures in cask, yet retains the fullness and intensity of a vintage port. Warrior does not require further ageing in bottle or decanting.

WARRE'S LATE BOTTLED VINTAGE
Warre's Bottle-Matured LBV are bottled without any fining or filtration after some 4 years of ageing in cask, then matured in bottle for at least another 4 years, resulting in a superb, complex Port. They have amassed an unparalleled number of medals at the world's most prestigious wine events. No other LBV comes remotely close to this remarkable achievement.

Warre's has been leading the Port trade since it was established as the first British Port House in 1670. A pioneer of a great tradition with over 300 years of history, Warre's legacy is built on the superb quality of Warre's Vintage Ports and on an unwavering commitment to quality and successful innovation. These characteristics are reflected in wines like Warre's Warrior, the oldest mark of Port in the world now with a radically redesigned new look, and Warre's Otima, an award-winning 10 Year-Old Tawny Port in chic, ultra-modern packaging. Today, the fourth generation of Symingtons are fully involved in the running of the business from the Douro vineyards to the eventual bottling of the wines. Paul Symington is Decanter's Man of the Year 2012.

SHARING PLATTERS

CHEESE & CRACKERS SHARING PLATTER

SELECTION OF CHEESE TO SHARE SERVED WITH
CRACKERS & CHUTNEY

FINGER FOOD SHARING PLATTER
